DRAFT

MEMORANDUM FOR: The Director of Central Intelligence

SUBJECT: Tabulation of Data on the 1955 Warsaw and
1957 Moscow World Youth Festivals

1. Attached for your information is subject tabulation, prepared by the International Communism Division of this Staff for Agency use and for distribution to other U.S. agencies. The distribution to other agencies has been approved by [REDACTED] 25X1A8a

2. The tabulation was compiled as an aid in evaluating the relative success or failure of past and future World Youth Festivals; in determining changes in the organizations, countries or areas that appear to be the primary targets of Communist front activity; in assessing whether our counteractivity in certain countries has been successful; and in indicating additional areas in which counteraction may be required.
